

WORD MEMORY

AIM:

knowledge transfer of LGBTQIA+ Topics

TYPE OF ACTIVITY:

in-depth activity

TARGET GROUP:

1 to 25 people, 13 years and older

DURATION:

▶ 35 to 50 minutes

ACCESSIBILITY:

▶ ability to read

MATERIALS:

▶ one set of memory cards per small group

PROCESS:

The big group is split into small groups of 2 to 5 people. Each small group gets one set of memory cards. Depending on the group size, the number of memory cards/terms can be reduced to 7–10 cards/terms.

Now each group has time to find the matching pairs (term plus explanation).

The right solutions of the memory are presented after that in the big group. One term after another will be explained in detail, and possible questions will be answered.
